

2 Gallon Battery Collection Bin

Small countertop container with quick-drop hole for battery collection.

2 Gallon Battery Collection Bin

Make battery collection effective and cost efficient with this custom container. The quick drop hole allows for effortless collection of batteries without having to open the lid. Countertop size means it can accommodate a variety of collection locations. Tailor the bin to your program with a sticker stating your program information and logo.

Features:

- Made from high density polyethylene (HDPE).
- Resistant to battery acid corrosion.
- Measured volume at 2.11 Gallons or 8 Litres.
- Snap fit undercut for positive closure allowing you to open or close easily.
- Ergonomic hand furrows on the handle make it easy and comfortable to carry.
- Removable lid and handle for easy cleaning.
- Black and orange colouring for easy identification.
- Hinged lid and handle allow for easy dumping of materials.
- Custom imprinting available.
